**Restripe Westside of Reino Road to Add Angled
On-Street Parking at Pepper Tree Playfield**

On April 18, 2012, the City's Traffic and Transportation Advisory Commission will review an engineering report regarding options to increase the number of on-street parking spaces along the west side of Reino Road adjacent to Pepper Tree Playfield.

You are invited to attend, review the report, and provide input to the Traffic Commission or, you may wish to view the meeting live on TÖTV Channel 10. Other ways to be heard is to call James Mashiko, Senior Engineer at 805.449.2418, e-mail jmashiko@toaks.org , or mail a letter to the Public Works Department, 2100 Thousand Oaks Boulevard, CA 91362. Angled on-street parking/restriping, if approved, is anticipated to take place this summer. The engineer's report will be available on April 12, 2012 on the City's website at www.toaks.org.

Reino Road Parallel Parking

Angled Parking Concept

The purpose of the meeting is to review options to add more on-street parking spaces. Almost 60 percent more parking can be provided with angled parking spaces.
