Homeowners are afforded an opportunity at this time to address questions and concerns with the Board of Directors. (This is time set aside for homeowners to provide input to the Board concerning matters of policy that they would like to consider in the future (ex. "I would like it if the Board would consider adding seasonal color to the landscaping."). In most cases, the member will be simply thanked for his or her input as action cannot be taken under California Law if not already on the agenda. Typically, this is not a time for questions to management as questions should be brought directly to management by phone or email outside of the Board meeting.)
