What Is a Quorum and Why Is It Important?

A quorum is the minimum number of owners who must be at a meeting before business can be transacted. State law tells us what that minimum number is for our association. It's relatively low, but we still have a tough time getting to it. It's a common problem in many associations. Meetings that don't have a quorum must be adjourned and rescheduled at a later date. This costs the association money and creates more work. And, achieving a quorum at a second meeting—if we couldn't get one the first time—is even harder. So, why bother to try again? Because the board is legally obligated to conduct an annual meeting. It's an important part of conducting association business. During the annual meeting, new board members are elected and the coming year's budget is presented to the homeowners for approval. No quorum—no election, no budget. This means the current directors will have to continue serving until an election can be conducted. It also means that last year's budget will remain in effect until a valid meeting (one with a quorum) can be held to approve a new budget.

July 9, 2020 Annual Meeting

THE ASSOCIATION'S ANNUAL MEETING WILL BE HELD ON JULY 9—PLEASE BE ON THE LOOKOUT FOR THE NOMINATION MAILER AS WELL AS THE BALLOTS. IN ORDER TO SAVE THE ASSOCIATION MONEY, PLEASE MAKE SURE TO SUBMIT YOUR BALLOT IN A TIMELY MANNER.

Just a friendly reminder that homeowners are required to submit an architectural application for any proposed improvement to the outside of their property, including windows, doors, roofs, painting and landscaping. When in doubt, complete and submit an architectural application. It's better to be safe than sorry! The Oakridge Estates Community Association has the legal authority to review and approve architectural improvements prior to work commencing as set forth in the Association's binding governing documents. Architectural Applications can be found on the Association's website at www.oakridgenp.org.
