### BOARD MEETINGS

Association Board Meetings are typically held the **2nd Thursday** of every month. The next scheduled Board Meetings are as follows:

- October 14
- November 11
- December 09

\* Please note that virtual meetings may be held due to the COVID-19 virus

\*Note: General Session begins at **6:30 P.M.** and the meetings are generally held at the Borcard Community Center at 190 Reino Road, Newbury Park, CA 91320.

Please plan on attending if your schedule permits, as homeowner participation is always encouraged.

*Please note that Meeting dates and times are subject to change. Please refer to the community website regarding any changes.*

### Greenbelt Landscape Damage

The Association is beginning to rehabilitate the central greenbelt. The main reason why the greenbelt landscaping is in the state that it's in is because dogs trample the plants and keep them from growing and filling in. The Board will be approving proposals for new plantings and we are asking for residents to make sure that their dogs do not damage the new material. The Board has been working very hard to keep dues low and make sure the reserves are sufficient for these enhancements to the Community— if the plants are damaged and need to be replaced, it would be an added cost to the Association and there would be a risk of an unnecessary dues increase. Please do your part to keep our Community beautiful. **THANK YOU**

### PSPS ALERTS – ARE YOU SIGNED UP?

In conditions of extreme fire danger – for example, if there are strong winds, low humidity, dry vegetation and there is a fire threat to electric structures or a public safety risk—Southern California Edison may temporarily shut off power to some customers in the areas most at risk of wildfire. You can sign up for public safety alerts by visiting [sce.com/psps](http://sce.com/psps), and choose to receive notifications by email, phone call or text. You'll be notified of estimated shutoffs and restoration times, and there's even an interactive outage map online that will show the location of available resources, which includes Community Crew Vehicles and Community Resource Centers. Just a friendly reminder that homeowners are required to submit an architectural application for any proposed improvement to the outside of their property, including windows, doors, roofs, painting and landscaping. When in doubt, complete and submit an architectural application. It's better to be safe than sorry! The Oakridge Estates Community Association has the legal authority to review and approve architectural improvements prior to work commencing as set forth in the Association's binding governing documents. Architectural Applications can be found on the Association's website at [www.oakridgenp.org](http://www.oakridgenp.org).
